

Swimming Photos Order Form

Complete the items you want to order below. Bring the Order Form with your payment on picture day. More than one swimmer can be included on one form – just make it clear as to what you want and make sure all your swimmers are at the pool at the same time! We will take the pictures on a “first come, first served” basis. All swimmers will be in the team photo but only those with forms and payment will have individual photos taken.

We specialize in action photos (actual swimming photographs) and sell two different photos in a folio. Your swimmer can choose one or two strokes to be photographed swimming. If you have any questions, contact Sports Photos of Virginia at 973-9577.

Fill out the form for the pictures you want. If you want more than one child in the photo, please indicate all the names below. For action photos, only one child can be in the photo.
